CATALOGUE**

Our entire Brake Caliper range is available at
trwaftermarket.com/en/catalogue

Fast and accurate fitting for you

- Screw-fixed directly to the brake caliper housing – eliminating the need for hand brake lever and cables
- Gives you greater room to work inside the vehicle
- Prevention of issues related to mechanical wear or temperature
- Available in a range of colors: Tornado Red, Navy Blue, Grey and Black
- Actuator available as standalone part as well as repair kits including two screws and one O-ring for quick and simple installation.
